

Oakville Jaguars

Soccer Academy Inc

VOLUNTEER SCREENING POLICY

Oakville Jaguars Soccer Academy Inc. fully supports and adopts the Ontario Soccer Volunteer Screening Policy and Procedures. As an organization working with children and youth—recognized as a vulnerable population—we have both a moral and legal responsibility to ensure that all individuals in positions of trust are properly screened.

All coaches, staff members, and volunteers are required to provide a valid Vulnerable Sector Screening (VSS) Police Check every three (3) years. This requirement applies to anyone who interacts with players, assists in program delivery, or represents the Academy in any official capacity.

Screening helps ensure a safe, secure, and positive environment for all participants and supports our commitment to the Safe Sport principles established by Ontario Soccer and Canada Soccer.
