

Oakville Jaguars

Soccer Academy Inc

AIR QUALITY POLICY

Oakville Jaguars Soccer Academy is committed to ensuring a safe and healthy environment for all participants. The academy will follow the official recommendations provided by Halton Region regarding restrictions or modifications to outdoor activities during periods of poor air quality.

We will actively monitor the Air Quality Health Index (AQHI) for the Town of Oakville using the Province of Ontario's official reporting system at: <https://www.airqualityontario.com/>

Decisions regarding training sessions, games, and outdoor programming will be guided by the AQHI levels and public health advisories. Activities may be modified, relocated, or cancelled when air quality poses a risk to participants.

The safety and well-being of our players, families, coaches, staff, and volunteers is our top priority.
