Online & Virtual Events Policy

Policy Number	Version	Date Issued	Date Effective
OJSA-005	1.0	April 1, 2020	April 25, 2020

Description

Policy for players, parents, coaches, and team personnel regarding appropriate conduct during online and virtual events.

Section 1 - Purpose

The Oakville Jaguars Soccer Academy (OJSA) is committed to providing all players with a positive, equitable, and honest experience in the soccer-for-life journey. The Online and Virtual Events Policy is designed to ensure that all OJSA members (Coaches, Managers, Players, Parents, and Club Staff) participating in remote events follow safe practices on all virtual communication platforms.

Section 2 - Policy Principles

1. All participants must adhere to the Club's Code of Conduct during all online and virtual events.
2. OJSA's Rule of Two Policy applies to all Club online and virtual events. Keep all forms of communication transparent by including parents on all correspondence.
3. Threats, abuse, or harassment of any kind by any individual that impairs the health and well-being of any participant is not permitted and must be reported to the OJSA Executive Director immediately.
4. All participants are expected to treat players, parents, coaches, managers, and Club staff with respect, courtesy, and consideration. Profanity will not be acceptable in any communication tool used during an online/virtual event.
5. Proper clothing attire must be worn by all participants in an online/virtual event, preferably in OJSA apparel.
6. Ensure transparency during video chat discussions. While chatting, all parties should be in common/high-traffic household areas (bedrooms and bathrooms are off limits).
7. Everything visible on your screen is visible to everyone. Utilize the mute microphone and disable video functions when required.
8. No filming, photography, screen capture, or video recording of online/virtual events is permitted for the privacy of those involved, unless approval by participants is provided.

Section 3 - Approvals
